International Medical Congress "Advances in Minimally Invasive Treatments (MIT)"

Florida Medical
Association

Dade County
Medical Association

To register go to: www.mitreat.com

Register early to take advantage of the limited number of discounted room rates at **The Ritz-Carlton Hotel in South Beach for \$169/night** made available *only* to congress registrants.

International Medical Congress:

"Advances in Minimally Invasive Treatments (MIT)"

June 28 (Monday) – July 2 (Friday), 2010

PRELIMINARY PROGRAM

MONDAY, JUNE 28, 2010

AM (Heart, part 1):

Historical background of robotics in the US.
Percutaneous replacement of the aortic valve.
Percutaneous repair of the mitral valve.
Robotic surgery of the mitral valve.
Advances in the treatment of interatrial communication and the atrial appendage.
Minimally invasive cardiac surgery.
Overview of minimally invasive cardiac surgery.

PM (Heart, part 2):

Endovascular treatment of coronary artery disease.
MIT of coronary artery disease.
Percutaneous radiofrequency ablation of atrial fibrillation.
Percutaneous left ventricular assist technique.
Minimally invasive delivery of stem cells for the heart.

TUESDAY, JUNE 29, 2010

AM (Aorta and Peripheral Vessels):

Endovascular treatment of aneurysms.
MIT of limb ischemia.
MIT of venous diseases.
Transcatheter techniques for the control of bleeding.
Carotid stenting.

PM (Head and Neck, Breast and Chest):

Sentinel lymph node biopsy concepts.
Applications in cancers of the head and neck, breast, colon, melanoma and others.
Radioguided parathyroidectomy and endoscopically assisted thyroid surgery.
Partial breast irradiation.
Robotic thoracic surgery.
Minimally invasive vs. standard techniques in thoracic surgery.

WEDNESDAY, JUNE 30, 2010

AM (Liver):

Minimally invasive surgical treatments for liver cancer.
Thermal ablation techniques in liver malignancies.
Chemoembolization of liver lesions.

Radiomicrosphere therapy of liver cancer.
Treatments of liver cancer in the molecular age.
Transgastric imaging and surgical procedures.

PM (Alimentary Tract):

Endoscopic treatment of reflux and bariatrics.
Laparoscopic sleeve gastrectomy. Is it a restrictive operation?
Single site laparoscopic surgery. Hemostasis and Sealants.
Malabsorptive techniques in the treatment of morbid obesity.
Single port minimally invasive surgery and metabolic surgery.
Advances in laparoscopic surgery.

THURSDAY, JULY 1, 2010

AM (Genitourinary Tract):

Cryoablation of renal tumors.
Laparoscopic nephrectomy.
Robotic prostatectomy.
Robotic gynecological surgery.
Embolization of uterine fibroids.
MIT in reproductive medicine.

PM (Nervous System):

Pituitary tumor surgery.
Focus beam therapy; cyber knife.
MIT in neurological surgery.
MIT of spine disorders.
MIT of spastic disorders.

FRIDAY, JULY 2, 2010

AM (Bone and Joints):

MIT of the shoulder.
MIT of the hip and knee.
Meniscal transplant.
MIT of sport injuries.
Advances in orthopaedic MIT of the lumbar and thoracic spine.
MIT of skeletal pathology.

PM (Pain and Other Disorders):

Transgastric imaging and biopsy.
Non-invasive preconditioning and post-conditioning of the cardiovascular system.
MIT for cosmetic enhancement.
MIT of painful disorders.
Photodynamic therapy.
Endovenous laser closure of stasis ulcers.

FACULTY

Adams, Jose MD
Amendola, Beatriz MD
Avallone, Anthony MD
Baskin, Michael MD
Beasley, Robert MD
Bhatia, Shivank MD
De Canniere, Didier Pierre MD
De la Cruz, Nestor MD
De Marchena, Eduardo MD
Estape, Ricardo MD
Fogel, Roberto MD
Fong, Yuman MD
Goldschmidt, Pascal J. MD
Gonzalez-Arias, Sergio MD
Guerra, Jorge MD
Gulec, Seza MD
Hare, Joshua MD
Hechtman, Keith MD
Heldman, Alan MD
Horstmyer, Jeffrey MD
Hyde, Jonathan MD
Ibars, George MD
Jacobs, Moises MD
Katzen, Barry MD
Lamelas, Joseph MD
Legaspi, Adrian MD
Menon, Mani MD
Mesko, Thomas MD
Moscucci, Mauro MD

Narayanan, Govindarajan MD
Nieder, Alan MD
O'Neill, William MD
Ory, Steven MD
Pappone, Carlo MD
Paramo, Juan MD
Peñalver, Manuel MD
Plasencia, Gustavo MD
Powell, Alex MD
Quesada, Ramon MD
Ribeiro, Alfonso MD
Rivlin, Daniel MD
Rock, John A. MD
Rubinstein, Adam MD
Rubin, Bruce MD
Samuels, Shaun MD
Seto, Lynn MD
Sternau Linda MD
Temple, H. Thomas MD
Thurer, Richard MD
Umlass, Marc MD
Uribe, John MD
Valverde, Fernando MD
Viamonte, Manuel III MD
Viamonte, Manuel Jr. MD
Wang, Michael MD
Williams, Donald MD
Williams, Roy MD
Zundel, Natan MD

CME:

40 Credit Hours, Category I, of the Physician's Recognition Award of the American Medical Association have been requested.

REGISTRATION:

A diploma will be given to international attendees.

Registration fee:	\$800	One-day registration:	\$250
After April 1, 2010:	\$950	For international registrants:	\$125
Physicians in training:	\$400	Register by website:	
Military:	\$400	www.mitreat.com	
International physicians (without credits):	\$400	or	
After April 1, 2010:	\$500	e-mail: megan.grimm@fiu.edu .
